<b>Date:</b>	03/13/2024
<b>To:</b>	Faculty Senate
<b>From:</b>	Alex Underwood, University Registrar
<b>Subject:</b>	2024 – 2029 Academic Calendar Dates

I respectfully submit the proposed academic calendar for the 2028 – 2029 academic year for Faculty Senate review and approval. The dates for 2024-2025, 2025-2026, 2026-2027, and 2027-2028 have previously been approved by the Senate.

These dates have been selected in alignment with previous practice and utilizing the 2017 [Faculty Senate Guidelines for Creating Academic Calendars](#) and [ABOR Policy 2-320 Academic Year Calendar](#). There is no change to the general schema of the academic terms, with the fall semester beginning on Monday and the spring semester on a Wednesday. The only changes from the 2017 guidelines are those that have been in place for the last several years, with commencement being held on the Friday directly after the spring finals period. Additionally, Juneteenth is recognized as a University Holiday and has been incorporated into the academic calendar beginning with Summer 2023.

The specific session dates and additional details will be published in the [academic catalog](#) and the [Office of the Registrar Dates and Deadlines](#) as each academic year becomes closer.
