

## REPORT TO FACULTY SENATE

FROM: Committee on Constitution and Bylaws

DATE: November 22, 2022

### ACCOMPLISHMENTS:

The Constitution & Bylaws Committee met and discussed three proposed changes to the Constitution and/or Bylaws. Please see the attached list of proposed changes. We plan on bringing these to the full Senate for a vote. Additionally, we will ask the Senate to vote whether the first item falls under Article X, section I, of the faculty Constitution, which states:

Revisions to allow for minor corrections or administrative or clerical updates to the Constitution or Bylaws that do not materially change intent may be approved by the Faculty Senate, and not require a vote of the General Faculty, unless the Faculty Senate determines otherwise.
